## Best Practices to Reduce Underage Drinking

The UDETC offers no-cost distance learning opportunities featuring courses that present best practices and strategies for enforcement of underage drinking laws and efforts to reduce underage drinking. Funded by an OJJDP grant, these web-based, on-line courses allow flexible scheduling, reduce travel costs and offer the ability to learn at your own pace in an online environment. Participants can receive a certificate upon completion of one of these courses.

### Conducting Compliance Check Operations

Four hour course provides guidelines and operational information on reducing alcohol sales to minors through compliance check operations.

### Environmental Strategies

Two hour course provides information on effective environmental prevention strategies to address underage drinking.

### Party Prevention & Controlled Party Dispersal

Six hour course discusses the role of enforcement and the community in preventing and safely dispersing underage drinking parties.

### Techniques for Managing Special Events

Two hour course identifies the complexity of planning a special event. The course provides information on the role of enforcement, effective planning, proper management and policy application.

### Source Investigations

Two hour course discusses the importance of conducting source investigations for underage drinking events, methodology and the benefits of effective enforcement and environmental strategies.

### Using Community Volunteers to Support Prevention & Enforcement of Underage Drinking
